

# Calling ALL Alumni of TDSI!

## NURTURING FUTURE LEADERS

Contribute back to your alma mater! Empower the next generation and strengthen the defence community with your knowledge and experience by **TEACHING**

- ★ students in the Master of Defence Technology and Systems Programme
- ★ defence engineers and leaders through short courses

**Ignite your passion for teaching and nurture generations of learners into future leaders of the Singapore defence eco-system.**

### Support TDSI and be rewarded with:

Exposure to academic and lecturing work and enhance your professional growth

Remain connected with your alma mater and be updated on latest activities

Remuneration for your efforts  
*(note: prior approval from your supervisor/HR maybe required)*

### Other ideas of contribution:

- Organise networking events for TDSI alumni
- Speak at TDSI workshops/events
- Share your TDSI experience at TDSI outreach events
- Recommend a case study or quality article
- Advisor to prospective students
- Refer a prospect

**Send your Resume to [tchengyl@nus.edu.sg](mailto:tchengyl@nus.edu.sg)**

*(note: submitted Resumes are subject to TDSI's review and assessment)*
